

The CLEAR choice for a CLEAN environment

ATTN: FLAKE / BALE BUYERS

High-IV Flake / Bales

- Hundreds of thousands of lbs. per week
- High IV (>.72)
- Most eco-friendly PET on the market (DPET from Alpek/Octal — five less energy-intensive stages than standard APET)
- Clear flake (colors available in bales: green, black, white, blue, yellow — not mixed)
- Post-industrial PET
- Loads: 40,000 lbs. (all ground in-house)
- Flake size: 1/2–3/8 of an inch
- Food-grade
